

**DRI-AIR STOCK MACHINE LIST**

**Hopper Banks**

**May 10, 2019**

**ALL DRYERS SOLD WITH NEW MACHINE WARRANTY**

**Machines subject to prior sale Page 1 of 1**

**MODEL: PRICE: DESCRIPTION:**

**Hopper Bank (2) 15's & (2) 5's**

**\$13,350.00**

**NPE 2018 Show Machine Hopper Bank features:**  
**Two (2), RH15, 15 pound capacity drying hoppers**  
**Two (2), RH5, 5 pound capacity drying hoppers**

- ADC Alphanumeric Control panel for hopper temperatures
- Run timer for hoppers – shows how long hoppers are on
- Booster heaters & temperature controller for each hopper
- Supply & return air manifolds with shut-off valves for each hopper

  

- Insulated, stainless steel construction with brushed stainless steel exterior surface
- First in/first out diffuser basket for even material flow
- Slide gate

**Dryer for Hopper Bank, HP4-X 50 \$ 8500.00**

**RH30 Hopper Bank (Used)**

**\$7,000.00**

**RH 30 Hopper Bank Features:**  
**4 30-lb capacity hoppers**  
**PID digital temperature controllers**  
**Booster heaters for each hopper**  
**480-volt, 3-phase electrics**

**Price New: \$16,110**

**\$750.00 230-volt conversion**

**HPX-100 FM Demo Dryer (Hopper Quoted Below)**

**\$8,688.00**

**100 CFM High Performance 4 Bed central dryer that uses 30 - 50 % less energy than wheel dryers with no moving parts -100°F dewpoint capability for fast drying of all resins in any conditions. Temperature controlled regeneration for spike free operation on bed shift. Stainless steel desiccant towers reliable, single blower design, electric dryer valve.**

**Control:** ADC, alphanumeric display, -49°F digital dew point monitor, 7 day timer, diagnostic functions, temperature & dew point alarms with event log, temperature calibration for ISO 9000

**480-volt, 3-phase electrics**

**Price new: \$10,860**

**RH300 Hopper**

**\$4,200.00**

**RH300 hopper on floor stand with take off box, available line size from 1.25" to 3".**

**Price new: \$5,330**
