

# WITH DRI-AIR YOU **GET MORE** THAN JUST THE **BEST DRYER.**

*"We studied 4 or 5 brands in deciding where to source our dryers and Dri-Air came out on top. We found them to be so much more energy efficient than any wheel dryer — by at least 40%! As soon as we placed an order, they came right into our plant to train our facilities people on Dri-Air equipment — they partnered with us immediately. Nobody else before had ever offered to do that. They have really integrated Dri-Air staff with our Empire staff. **Dri-Air is the most reliable supplier that we have found.**"*
